Dear Parents, Carers and Students

Re: Year 11 GCSE Information Evening 2023

Year 10 has been a very busy year and I am sure everyone is looking forward to a summer break.

Following our Year 10 evening on the 5th of July, we are organising a subject information evening during the first week of September.

Our experience has taught us that we all need to be ready from day 1 to ensure that that all students in our care can achieve their full potential. As you are aware, this is a vital year in your child's education and our mission is to provide personalised guidance, advice, and support, whilst promoting a range of revision tools and sessions to support students and their families throughout the year.

This evening will give you the opportunity to meet with Mrs Sghendo our Head of year 11, all Heads of departments and the Senior Leadership team, who will be sharing course overviews and tips.

We are delighted to invite you to our **GCSE Information Evening on Thursday 7th September** in the school hall at 6pm to 7:30pm. To book tickets please follow this link:

There will be a presentation to share information about:

1. Our key missions
2. Key information about Core subjects
3. Our expectations and the Prom Passport
4. The intervention plans.
5. Our Personal development plan for Year 11

We strongly encourage you to attend this event as it is an ideal opportunity for you to meet our team and ask any questions that you may have about supporting your child over this academic year.

As always, we appreciate your commitment to working with us to support your child.

Yours faithfully

Mrs Huchet
Assistant Headteacher / RSL
