Dear Parents, Carers and Students

On Thursday 22nd August 2024, students are invited to collect their GCSE results from the 6th Form Centre between 9am and 11am.

Whilst on site all students are encouraged to speak to a member of staff regarding their next steps, whether that is to stay on at Huxlow and Rushden Academy Sixth Form or take part in post 16 provision elsewhere. Those intending on staying on at sixth form must have their photo taken for their ID before they leave. In case of the possibility of a paper remark or review, students will need to sign a permission slip.

To celebrate there will be areas in the 6th form set up for taking celebratory photos, having refreshments and sharing success with peers and staff.

If a student is unable to attend on results day they must contact Lisa Gidney - Exams Officer l.gidney@huxlow.northants.sch.uk to give their consent and details of who will be collecting their results on their behalf. This request must be communicated at least 2 days before results day. Alternatively, the results will be posted on Go4Schools at 12pm on Thursday 22nd August 2024. If there are any questions please call Miss Hayes, Assistant Director of Key Stage 5, between 11am and 1pm on extension number 1255.

Examination certificates will arrive at Huxlow Academy in late October/early November and can be collected from reception from mid-November. Those staying on to study in 6th form can collect these from the 6th form office. It is a student's responsibility to collect these.

We are incredibly proud of each one of you for your perseverance and dedication. We look forward to supporting you in your next steps, whatever they may be. If your options change, there is still time to apply to Huxlow and Rushden Academy Sixth Form.

Wishing you all the best on results day and for your future endeavours.

Kind regards

Kim Isaksen
