Remuneration: £47,417 - £52,330

Huxlow Academy is a fully inclusive school, located in Irthlingborough, East Northamptonshire. Our students are a vibrant and varied mix that bring an energy that is not found in many other schools. The loyalty the students show for the staff and community, whom they recognise care so deeply about them, is what makes Huxlow a very rewarding and fun place to work.

If you want to work with a team committed to making a difference to the lives of the young people in our community, we want to hear from you!

We are looking for an inspirational practitioner to join us as we strive for excellence, and to take the Maths curriculum and its teaching to the next level. We believe that Maths is at the heart of the success of any improvement at Huxlow and will be fully supportive of a leader that has a coherent vision and philosophy for a highly effective Maths curriculum and its teaching.

If you care deeply about providing students with the expectations and experience in Maths and building the skills and knowledge that enables every student to achieve success and find enjoyment in Maths then apply today!.

The successful candidate will:

- Assist with the development of Maths including teaching and learning across KS3, KS4 and KS5 for the right candidate, in line with the department and school action plans
- Assist the Head of Maths in identifying the development and training needs in Maths.
- Devise and implement a coherent strategy and programme for staff development in line with school and departmental goals and the Learning and Teaching policy.
- Take responsibility for and delivering running faculty CPD (Research and developments in Maths Teaching. Looking at trends and topics from exam analysis, to develop CPD programme to improve teaching of these key topics.)
- Support, guide and motivate teachers and other adults within Maths by assisting and managing good practice and continuing professional development
- Support NQT/Non subject specialists, offering bespoke assistance sessions and increase communication with teachers in the area, in line with the skills being taught and Intent document.
- Look into and develop professional development opportunities.

Candidates must be eligible to live and work in the UK.

Training and development opportunities will be offered. All staff are encouraged to study further and the trust will actively support staff to obtain relevant further qualifications where possible.

Tove Learning Trust is a fast moving and exciting place to work. The trust schools have a shared vision and purpose: to deliver outstanding educational experiences that lead to inspiring outcomes. Each academy has a strong individual identity and tailors their educational provision to serve their local community. Academies within the trust collaborate to share expertise and maximise opportunities and experiences for our students.

The Trustees of Tove Learning Trust are committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and expects all staff and volunteers to share this commitment.

Why Join Huxlow Academy?

Letter from the Headteacher

Dear Candidate

Thank you for your interest in the role of Lead Practitioner of Maths at Huxlow Academy. We trust this application pack provides you with an insight into life at our school and encourages you to apply for the role.

We are incredibly proud of our school, a medium-sized Secondary Academy (11-18), located in Irthlingborough, East Northamptonshire. As a fully inclusive school our students are a vibrant and varied mix that bring an energy that is not found in many other schools. The loyalty the students show for the staff and community, whom they recognise care so deeply about them, is what makes Huxlow a very rewarding and fun place to work. If you want to work with a team committed to making a difference to the lives of the young people in our community, we want to hear from you!

I believe that every student and staff member that walks through the doors of Huxlow is a valuable member of our community, and we work hard to ensure they are welcomed, supported, and challenged to be the best version of themselves that they can be.

We are in an exciting new phase in the history of Huxlow and place a pursuit of excellence at the core of everything we do. This is underpinned by our core values of Respect, Ambition and pride. I hope that you feel inspired to aim high and come and join us as we strive to make Huxlow even better.

Academic success is hugely important to us as we recognise its power to open doors for young people. We have a rich history of students of all abilities, and from a wide variety of backgrounds, meeting and exceeding their potential.

In 2019, Year 11 students achieved some of the best GCSE results in the school's history. 53% of students gained 5 GCSE's including English and Maths at Grade 4 and above. Recent CAGs and TAGs have returned record progress data for the school for KS4 and KS5. Post Covid results have returned to similar levels and reflect the high level of dedication of both our students and staff. As the Headteacher, I am committed to improving the school even further for our students. The Maths department and curriculum are central to our improvement aims.

We place an emphasis on ambition and respect for each other and working together to ensure that our community is constantly developing. Huxlow students are exceptional, staff go the extra mile, and we are dedicated to Professional Learning and Development.

Please explore our website, the recent Headteacher's letters section and our social media, to gain a flavour of what it means to be part of the Huxlow Academy community. We hope you are as impressed by our school as we are. I look forward to receiving your application should you decide you want to be a part of the proud Huxlow team.

Please contact the school if you have any questions or require any further information.

The Curriculum

Our ambitious curriculum is designed to deliver our vision of “Thriving Through Excellence”. This means we offer a carefully crafted balance of academic learning, personal development, and enrichment.

All teaching and learning is designed to meet our high expectations and aspirations with a clear focus on sharing knowledge and developing lifelong skills. Every child is pushed to do the very best they can do, whilst taking account of every individual’s needs.

Our Key Stage 4 programme aims to develop deeper understanding and mastery of subjects at GCSE, in order to achieve the highest outcomes and to aspire for every student to reach their potential.

- All students study English, Mathematics, Science, Religious Studies, Physical Education and French

- At Key Stage 3 (Years 7 & 8) students also study Technology, Geography, History, Music, and Drama
- At Key Stage 4 (Years 9, 10 & 11) alongside our core subjects students make a number of option choices from
- the range of other subjects including Psychology, iMedia, Sociology, Photography, Dance and Business Studies.

All of this is supplemented by a rich programme of enrichment, curriculum themes and extra-curricular activities.

Our excellent Key Stage 5 provision is delivered alongside our fellow Tove Learning Trust partner, Rushden Academy, as part of The East Northamptonshire School (TENC). Our joint provision has one of the most comprehensive choice of subjects in the county, consisting of over 20 A Level courses and additional BTEC Level 3 courses. Please visit www.tenconline.co.uk for more details.

We also offer high popular and enriching residential trips and experiences These include:

- Duke of Edinburgh expeditions
- Normandy/ Paris/ Holland – Cultural trips
- Austria Ski Trip
- Uganda - International Youth Conference.

Students have the opportunity to visit places of interest in the UK, including theatres, university campuses, science conventions and careers establishments. They are able to experience visiting speakers, authors, and theatre groups during their time at Huxlow. We are also extremely proud of our sporting achievements. Huxlow students have repeatedly achieved excellent results at District, County and National level. Many team and individual sports are run as clubs and activities by our motivated and competitive Physical Education team.
