Uniform Policy

2. Policy Aims

To provide clarity for the expectations around the Academy uniform to students, parents and school staff, giving clear rationale to the purpose of wearing a uniform and how this is supported and monitored. All students are expected to wear the designated uniform in years 7 to 11, this is monitored principally by Form Tutors and Heads of Year. Wearing an Academy uniform develops a sense of pride, community and belonging for students and supports the identification and safeguarding of members of the Academy when out in the community or on academy trips.

3. Applicability

This uniform policy relates to students in Years 7 to 11 at Huxlow Academy. Students in the Years 12 and 13 are subject to an agreed dress code that TENC staff approve and this is published as part of sixth form administration. Academy staff are subject to the Staff Dress Code Policy.

A reasonable amount of lightly applied make-up is permitted for all year groups. False eyelashes are not permitted.

Hats / cover-up / hoods on

Students cannot wear any cover-ups including hoods on the Academy site, unless for medical or religious purposes by prior agreement with the Headteacher.

As part of our uniform policy, it is important that we recognise and celebrate our staff and student identities. Afro-textured hair may require specific styling and maintenance to ensure hair is healthy. If students do require a durag, or similar, to protect the hair after treatment, a letter requesting permission must be sent to the headteacher and any head covering must be navy blue or black.

Any exceptions to the Uniform Policy must be requested in advance by letter from parents to the Headteacher, explaining religious purpose, or any exceptional circumstances for reasons of SEND adjustments or for medical reasons (with evidence from a doctor). The Headteacher will consider this request and inform the parents of their decision. The final decision on any deviation from the Uniform Policy is the decision of the Headteacher only.

Huxlow Academy has some simple expectations on personal presentation. All students are expected to follow these expectations consistently and without question when on the Academy site. Uniform expectations are as follows:

- Huxlow Academy students wear the full Academy uniform each day, unless the Headteacher issues written notification of any exceptional circumstances;
- The Academy blazer must be worn at all times outside of the classroom unless otherwise directed by the Headteacher during the Summer Term, or when playing sports on the field/ hard courts. Students must leave their lessons with their blazers on;
- Shirts must be tucked in at all times;
- Academy house tie must be worn at all times;
- We encourage the wearing of suitable coats during cold periods. Coats may be worn in the school building and taken off as soon as entering the classroom;
- Hoodies or branded jackets or clothing items are not acceptable to be worn in school

Academy staff reserve the right to make judgement on what is, and is not, acceptable on all items of uniform, make-up and jewellery. Students not adhering to expectations around makeup, jewellery and piercings will be out of circulation until this policy is adhered to.

Student uniform will be constantly monitored; any additions to unacceptable wear/ fashion trends will be communicated. Any deviation from the uniform policy due to exceptional circumstances must be supported with a parental letter to the students' Form Tutors who will constantly monitor their Tutees uniform on a daily basis and with the support of Heads of Year. The letter should state the reason and date when the issue will be rectified. Sanctions will be issued as per the Behaviour Policy where this is not the case.

Students attending school without the required items of uniform will be provided with clean items to borrow for the day. Refusal to accept these items and comply with instructions will result in sanctions as per the Academy behaviour policy.

Huxlow Academy will run a uniform swap-shop where pre-loved uniform can be donated and exchanged.

Huxlow Academy will ensure that uniform items with an Academy logo are not excessive and that alternative options are available for most items, keeping the cost of the Academy uniform to a reasonable amount.
