Dear Parents/Carers

Huxlow Academy Open Evening – Thursday 26th September 2024

We are delighted to extend a warm invitation to you and your child to visit our school and attend our Open Evening on Thursday 26th September 2024.

At Huxlow Academy, in line with our vision, we are dedicated to ensuring all our students demonstrate our core values of ambition, respect and pride. We have a determination to ensure that our students are given the best possible opportunities to succeed both academically and as young people who are an asset to the communities in which they live. Our community is proud of our school, our students and their successes. We have a rich history of students of all abilities and backgrounds fulfilling their potential in all areas of their education. They are supported and challenged daily to gain the skills, confidence and qualifications they will need to be successful in an ever-changing world...

We pride ourselves on the levels of support and guidance we offer our students. Our students are challenged to aim for the highest personal and academic standards, and you can rest assured that you will be visiting a school where we expect excellent attendance, punctuality, attitudes to learning and behaviour.
