24 March 2025

Dear Parents/Carers

We are delighted to invite all Year 11 students to a revision workshop on Thursday 3rd April 2025 from 3.30pm to 6pm.

This workshop aims to support Year 11 with preparing for heavy knowledge-based subjects such as History, Geography, Sociology, Psychology, English Literature, Science and French.

Students will be able to access knowledge organisers and self-assessments lists to create their own revision materials.

In these sessions students will be taught how to:

- Create an effective revision timetable
- Use flashcards efficiently with the Leitner System
- Harness the power of checklists for structured study

After two hours of focused revision, we will be providing pizza for tea, followed by a fun Easter Egg Hunt organised by our fantastic Ethos Team.

Students will then be able to join their parents to our last Year 11 information evening regarding their up-coming GCSE examinations.

We hope this initiative will help students develop strong revision habits while also making learning enjoyable.

Thank you for taking the time to assist us in improving our services. We look forward to your valuable input and hope to see you at future school events.

Please complete the google form to confirm your child's attendance.
